

Dr. J.W. Stokes

Dr. Stokes was a mainstay in Summers County for over 50 years. He once said he had long ago lost count, but he estimates he had delivered over 8,000 babies in Summers County.

He was the City and County Health Officer and Coroner for over 25 years, served on the Summers County Board of Education for 22 years, and was the Hinton High School Bobcats team physician from 1935 until his retirement in 1972.

His generous "giving back to the community" will never be forgotten.
